Instructions:

1. Complete this assessment as a small group, thinking about the sector you have identified to focus on.

2. Using a scale of 0 to 5 (where 0 is the weakest and 5 is the strongest), map out the strengths of each of the capitals in the chosen sector. Remember, it is only wealth if it is healthy and fully functional and if the region owns or controls it and can make decisions about how to maintain and use it.

3. Complete the Small Group Worksheet on the next page (one per table) and give this to the facilitator.
